

GRUPPO ARKITEKTO COMPANY INCORPORATED

Issue 10 Volume 10

DEVELOPING BUSINESS MANAGEMENT

As part of its drive to develop and expand its business opportunities and management, Gruppo Arkitekto Company Incorporated and Fil-Estate Realty Sales Associates Inc. (FERSA) is now officially in partnership to step forward to a more professionalized project development marketing, interior architecture, green design and build services for residential, commercial, offices and institutional projects from medium to multi-rise structures.

The memorandum of agreement was officially signed by and between Arch. Donato B. Magcale (President /CEO of Gruppo Arkitekto Company) and Mr. Nestor Yap (President of Fil-Estate Realty Sales Associates Inc. (FERSA)) last Monday May 18, 2011. Present at the MOA signing were Capt. Rolando B. Magcale (President of Seacrest Maritime Mgt., Inc.), Ms. Emelita M. Sarmiento (VP-Finance of Seacrest Maritime Mgt. Inc.) Ms. Lit C. Magcale (Director for Sales - DFS of FERSA), Ms. Lanie Santiago (SVP for Narra Division of FERSA) and Mr. Josef Santiago (VP of FERSA).

The two companies (GA Co. Inc. & FERSA) will continue to build its reputation in the real estate, architectural and engineering field development with unique project tie-up's across the country. Gruppo Arkitekto Company has always been driven to provide quality and efficient service for its clients, with a green design approach that prioritizes the creation of efficient and habitable spaces.

With dedicated architects, design team and dependable real estate brokers who has the passion for excellence, the partnership is clearly a start of the Developing Business Management drive for the companies success and expansion.
