SEAWAY MAGAZINE PUBLISHES  
“GRUPPO ARKITEKTO”  
COMPLETE RANGE OF  
ARCHITECTURAL SERVICES

In line with the Simple Lang Magka-bahay Program, Gruppo Arkitekto Company releases its print advertisement for the November issue of Seaway Maritime Magazine Inc. in time of the 1<sup>st</sup> Philippine Seafarers Congress. This ad was made to reach its target market, allowing the firm to have an additional exposure with the architectural services offered by the company itself.

It was cited in the said publication, the firm's **SLMB Program** that caters for the seafarers and land based staff who wants to own their dream house at a very affordable price. Gruppo Arkitekto Co. Inc., provides assistance in securing financial loans for its clientele in cooperation with their partner banking institutions and thru Pag-ibig home loans.

The magazine advertisement covers the complete range of architectural services of the company and some of the pictures of its previous projects from residential to commercial complexes, medium and high rise structures, office and institutional buildings.
