Issue 14 Volume 14

Gruppo Arkitecto celebrated its Christmas party last Dec. 14 in Redbox Eastwood.

It was indeed a night of huge amusement and hearty laugh, highlighted with games, gift giving, raffle draws and other activities.

Everyone showed off their talent in singing and were all ready to play games to get things rolling and make the night enjoyable to each and everyone who joined the party.

The firm hired two stand up comedians to add great entertainment value to the party. These comedians filled the night with lots of fun and laughter in everyone's face with rib tickling jokes and comments.
