GRUPPO ARKITEKTO @ 2

Gruppo Arkitekto observed its 2nd founding anniversary last January 18, 2012, again at the F.I.S.H Restaurant in Visayas ave., Q.C. . The company holds an office blessing in bringing positive energy, prosperity and goodness. The office blessing was headed by San Nicolas de Tolentino Assistant Priest Father Erman.

The company progressively engaged in various architectural and engineering (A/E) and interior architecture projects as a persistent provider of full-service architecture, maximizing its design and build service expertise in the field.

Gruppo Arkitekto Co., Incorporated is committed in providing service excellence in design while making the process an enjoyable and rewarding experience both for the Client and the Firm. Every project is approached with focus on form, functionality, sustainability, and style.

The firm is certain that each project handled is positive to meet the needs and lifestyle of its clients / project owners while taking in concern respect to the environment.

Driven by passion , innovation , teamwork and excellence
