COMPANY INCORPORATED**

Gruppo Goes **SUBIC**-ing

Last April 16-18, Gruppo Arkitekto Company Incorporated together with Unicommerce XPRS Company Incorporated held their first company outing at Subic. The whole staff of both companies headed by Arch. Donato Magcale and Mrs. Irene Magcale were all out in the sun and enthusiastic to hug the warmth of Summer.

Another affiliate company, Synergy Philippines, assisted the participants in the said event.

All the staff were grateful for the sumptuous food and superb service rendered

by the RK Hotel where they stayed for 3 joyous days.

The group worked out the waves at the Camayan Beach Resort and went island hopping with the Camayan Divers.

The fun never stopped as the whole crew partied 'til they drop at Pier One Bar and Grill Subic.

Not only did this event bonded the workforce but as well motivated each and every employee of Gruppo Arkitekto and Unicommerce to become exceptional tools of the companies.

To all the staff, LET US KEEP THE FIRE FOREVER BURNING! *
