HOOTERS IN THE PHILIPPINES LAUNCHES IN MAKATI CITY

Gruppo Arkitekto Company Incorporated is proud to introduce one of their clients that was launched in the Philippines: **The Hooters in the Philippines Bar & Restaurant.**

Out of 5 architectural firms, Hooters Phils. chose Gruppo Arkitekto's unique and incomparable design for their bar and restaurant project. The design development of the said project started last October 2012 and it was finished December 2012.

The proposed design plan by Gruppo Arkitekto was approved by Hooters America, Atlanta Georgia.

After completing all the requirements including the design guidelines, the project eventually went through smoothly.

Hooters in the Philippines is now open and already had their launching party last June 15, 2013 with Hooters of America in attendance and the Philippine Franchisees. Everyone seemed to enjoy the night and appreciated the upbeat atmosphere of the restaurant.

Hooters in the Philippines Bar & Restaurant is located at the G/F & 2/F, Units 118 – 120, 217-220 of the A.Venue Events Mall, Makati Ave., Brgy. Poblacion, Makati City .
