(PMMAI) 44th Founding Anniversary at the Palacio De Maynila in Malate, Manila last August 9, 2013. As one of the sponsors, Gruppo Arkitekto was given the privilege to showcase at the event's registration area the architectural designs, company services and disseminate our Company Profile to the guests for current and future reference for their architectural design and build requirements.

The guests were also able to participate in the company's raffle giveaways as part of the said PMMAI event.

The 44th Founding Anniversary event ended well and it was indeed a huge success.
