Issue no. 8 Volume no. 8

Together as ONE... @ Music 21

As a celebration for the Yuletide Season, Gruppo Arkitekto Company Incorporated together with Unicommerce Xpress Company held its first ever joint Christmas Party at Music 21 on December 04, 2010.

Led by Gruppo Arkitekto Co., Incorporated's President/ CEO Ar, Donato B. Magcale, and his wife, Unicommerce Xpress Company's Chief Operating Officer (COO) Ms. Irene Magcale, together with their son, Mr. Paulo Magcale; the family arranged a celebration for each company's employees to have a quality time for a Christmas bash after a very successful year for the two businesses.

The night was full of laughter and surprises as the hosts from Gruppo Arkitekto prepared a short but incredibly entertaining program for everyone to enjoy. In every game held, each company was extremely determined to beat the other one. Even after all the games, the employees didn't stop there as Gruppo Arkitekto's employees aim to have higher scores than Unicommerce Xpress Company's employees have in the videoke session, and vice versa.

Foods and Drinks are all out that made the night really stress and worry free. Everyone is flooded with gifts from the Magcale Family that made the party more fun and gratifying.

In entirety, the party was a success. Everyone had a good and memorable time. Socialization really had its part. Congratulations Gruppo Arkitekto and Unicommerce! More successful years to come!
